EU-MDR Workshop Qserve Group & DEKRA

Tel Aviv:

4 & 5 September 2017

Qserve Group & DEKRA

From MDD to MDR? Learn more in our EU-MDR Training **4 & 5 September in Tel Aviv**

Hello,

Did you know that the **EU MDR** is effective since the 25th of May and needs to be implemented by spring 2020, which means that the Medical Device sector needs to increase its compliance level? Scope & Plan, GAP assessment, Portfolio analysis, Global Impact Assessment are just some of the steps on the road to EU MDR implementation that must be addressed to ensure compliance.

Qserve & DEKRA have designed a 2-day high profile workshop program to assist in determining the crucial steps needed for your organization. For the attendees of the workshop we offer the opportunity to join a Roundtable session with Gert Bos, where you have approx. 30 minutes for questions about the European MDR.

Workshop: 4 & 5 September 2017
